April 27, 2015

Dear Environmental Health Professional:

The Gulf Coast Chapter of the Texas Environmental Health Association is hosting an educational conference at the Galveston Island Convention Center at the San Luis Resort, The Galleon Room 5600 Seawall in Galveston, TX 77551 on Thursday, May 14, 2015. This conference is a valuable resource for you to keep abreast of current issues, trends, and requirements and provides another opportunity for you to obtain continuing education credits required to renew your Sanitarian's or Code Enforcement license. Up to six continuing education hours are available for environmental health professionals including registered sanitarians and Code Enforcement Officers. There is a nominal \$25.00 pre-registration fee (\$75.00 for non-members) or \$30.00 and \$80.00 for on-site registration for this conference. If you choose to pre-register, please complete and return the attached form before May 11, 2015. Your registration covers the conference, refreshments and other conference materials. Lunch will be "eat on your own" at a nearby restaurant. The conference is open to all sanitarians, code enforcement officers, inspectors, and other interested parties regardless of membership status in TEHA.

I am hopeful that you will be able to attend all or part of the day's sessions. Registration begins at 8:00 AM with door prize drawings throughout the day. The first session begins at 8:15 AM. A complete agenda for the meeting and registration form are attached.

Should you have any questions or require additional information, please do not hesitate to contact me at 281-428-2648 or you may direct email: Shrader@EHSpecialties.com

Thank you,

John H. Shrader, R.S., Chapter President
